SPRING BULLETIN, 1938

AS usual, our Gladiolus bulbs are guaranteed clean, healthy and true to name; anything proving otherwise will be replaced. However, the results you will obtain are so entirely up to you that we cannot hold ourselves responsible for same. Carrying charges prepaid on all orders amounting to $1.00 or over. Please send cash with order. Orders accepted subject to stock unsold.

On orders for Gladiolus bulbs, we are offering the following discounts, in bulbs of your own choice:

5% on orders up to $5.00
10% on orders $5.00 to $15.00
15% on orders over $15.00

Let us give you a quotation on larger orders; also on smaller sizes in quantities not offered in the list. Special quotations net.

Thrips

Thrips can be controlled in the garden by spraying with any of the good sprays on the market, or by dusting. We had complete control, last year, by dusting with a mixture of equal parts hydrated lime and arsenate of lead, with the addition of a small quantity of dry Paris green.

We keep a little naphthalene among the bulbs at all times, while in storage.
